SPEAKER: You have heard the motion now to advance LB 197 as amended. Is there a need for discussion of that motion. All those in favor of advancing the bill please say aye, those opposed say no. So ordered, the bill as amended is advanced. Thank you. Senator Barnett do you have that statement of intent around, we're really past that part of the agenda but I think I reserved a place for you here.

SENATOR BARNETT: Thank you, Mr. President I did and the statement of intent is on your desk and I would move for the introduction of this, suspension of the rules so we can introduce this bill. I think I've explained it about as fully as I could, unless somebody has a question.

SPEAKER: Has everybody had time to read the statement of intent, the question is shall the bill be introduced, all those in favor will vote aye, all those opposed will vote no. Your voting on the introduction of the bill as explained by Senator Barnett and according to the statement of intent which you now should have on your desk. The Chair would observe that does take 30 votes for the introduction of the bill. Senator Barnett for what purpose do you rise?
